All early voting polling booths can take votes for the general electorate and the Maori electorate in that area.

There are also extra-special multi-electorate polling places where they have voting papers for more than one electorate. If you are not sure about your electorate or you are going with people who live in different electorates, go to one of these advance polling booths.

You can find out more about polling booth locations by visiting [www.elections.org.nz/events/2017-general-election/information-voters-who-when-and-where](http://www.elections.org.nz/events/2017-general-election/information-voters-who-when-and-where) or phone 0800 36 76 56. When your EasyVote pack arrives in the mail it will provide details about your nearest polling booth if you want to wait until Election Day (23 September).
