Equity New Zealand is the union for actors, singers, dancers, comedians, voice over artists, extras and stunt performers who work in live theatre or the screen industry.

In 2023 Equity will be negotiating our first industry wide collective contract which will set the minimum working standards and pay rates for all performers working in the screen sector so please join us - and encourage your performer friends and whānau to join us – if you’re working in our sectors. We’re stronger together.
